COMMENTARY

Hello friends,

The reverse raffle was a huge success again, Calvin Brown Jr., our Vice-President, did a wonderful job arranging this event. His hard work and the work of the rest of the board will enable us to make a donation to the Community Care Committee in excess of \$3,700.00 with the Builders also able to keep the same amount to help offset expenses that we experience throughout the year. The support that we received in covering the auction tables was again fantastic. I would like to thank all those that donated items and also those that went out and collected items. Within this newsletter is the list of all those that donated, thank them when you see them, patronize their businesses, and remember that your name could be on next years list of donators. It is never too early to make a donation or to reserve your tickets for next years reverse raffle.

Our Annual Steak Fry which will be held at the Elks Lakefront Lodge and is scheduled for June 13th. We will be having Jim Fuller as entertainment for this event. Your board of directors will be flipping the steaks this year as they do each year. This is probably one of the best events for networking, the reason I say this is because being in June it is the start of the building season so when you make your rounds visiting about the room your contact information is fresh on the minds of your peers and possible customers which could lead to more work your way.

Thank You

Golf Outing

Steak Fry

Now is the time to get your golfing buddies together and to work on your golf game. The Builders/Ashtabula Chamber of Commerce Golf outing is scheduled for July 18th at Maple Ridge Golf Course. We are now taking reservations for golfers and also hole sponsorships at the regular \$100.00 price as it has been in years past. The difference this year is that for your \$100.00 you will get a lot more exposure to a more varied group of people so your advertising dollar will go further. If you are interested in sponsoring a hole please give me or Michelle a call and we will have your sign made. Also you can call me or Michelle with your foursome reservations.

Lastly I would like to congratulate the Ashtabula County Safety Council for winning the Safety Council of the Year Award for 2012. This is the second year in a row that Ashtabula has earned this prestigious award among the eighty councils in the state of Ohio. This just goes to prove that good things happen to good people in good places and Ashtabula County is one of those good places.

Work safe and work smart,

Bill Romanko

Your President
